

Curriculum Vitae

Tharwat Ragheb AbdelHady Elkhamissy, PhD

Professor

Department of Microbiology and Immunology

Faculty of Pharmacy, Egyptian Russian University

Badr City, Cairo-Suez Road, Postal Code 11829

Tel.: (+2) 02 2864-3340, 2864-3342, Fax: (+2) 02 2864-3332

URL: // eru.edu.eg

1. Personal Information

First Name / Sure Name: Tharwat Ragheb AbdelHady Elkhamissy

Date of Birth: 28th October 1952

Address: 52- Elfath Buildings – Nasr city - Cairo.

Nationality: Egyptian

Phone: +20100-195-2717

E-mail: Telkhamissy@yahoo.com

Gender: Male

2. Education

Title of Awarded Degree	Name of Organization Providing Education	Principle Subject	Dates
Ph.D.	Faculty of Pharmacy Zagazig University	Microbiology	1995
M.Sc.	Faculty of Pharmacy Al-Azhar University	Microbiology	1990
B.Sc.	Faculty of Pharmacy Mansoura University	Pharmaceutical Sciences	1976

3. Professional Experience

Occupation	Name & Address of Employer	Dates	
		From	To
Professor and Head of Microbiology and Immunology Department	Faculty of Pharmacy Egyptian Russian University	2012	Till present
		From	To
Dean	Faculty of Pharmacy Al-Azhar University, Assiut	2004	2012
		From	To
Vice Dean	Faculty of Pharmacy Al-Azhar University, Assiut	2003	2004
		From	To
Professor and Head of Microbiology and Immunology Department	Faculty of Pharmacy Al-Azhar University, Assiut	2000	2003
		From	To
Post-doctoral Position	Department of Patho-	2001	

	biology, university of Connecticut, U.S.A.,	
Pharmacist	Unit of Microbiology, National organization for Drug control and research (NODCAR),	1995
Medical Analyst	Mostaganem, Algeria	1981
Pharmacist	Ain-Shams University hospitals	1976

4. Discipline

General Discipline	Pharmacy	Principle Subject	Microbiology & Immunology
---------------------------	-----------------	--------------------------	--------------------------------------

5. Professional & Technical Skills

1. Teaching Pharmaceutical Microbiology.
2. Teaching Industrial Microbiology.
3. Teaching Medical Microbiology.
4. Teaching Clinical Microbiology
5. Teaching Diagnostic Microbiology
6. Biotechnology.
7. First Aid.
8. Teaching Microbiology course for undergraduate Pharmacy students.
9. Teaching Practical Microbiology course for undergraduate Pharmacy students.
10. Teaching Microbiology course for Postgraduate (Master and PhD) Pharmacy students.
11. Supervisor of Practical Microbiology course for undergraduate Pharmacy students.
12. Head of the QAAP unit in Faculty of Pharmacy-Al-Azhar University-Assiut-Egypt.
13. Head of the Central Lab. unit in Faculty of Pharmacy-Al-Azhar University-Assiut-Egypt.
14. Head of the Examination and Control Unit in Faculty of Pharmacy-Al-Azhar University-Assiut-Egypt.
15. Supervision of 8 Master thesis and 4 PhD thesis in co-operation with:
 - Assiut University-Assiut Egypt.
 - Al-Azhar University-Cairo Egypt.
 - El-Minia University-El-Minia-Egypt.

6. Personal Skills

Computer Skills	Self Assessment		
	Excellent	Good	Fair
Microsoft Windows			
Microsoft Office			
Language Skills	Self Assessment		
	Excellent	Good	Fair
Arabic			
English			

7. Scientific Activities

a. Publication:

- Mycotic infections of the external ear
Az.J. Microbiol. Vol. 10. October, 1990.
- In Vitro combined activities of Antifungal Drugs against isolates of otomycosis.
A7.J. Microbiol. Vol. 10, October, 1990.
- Detection of extended spectrum β lactamases in clinical isolates of *E. coli* and *K. pneumoniae*.
Az.J. Pharm. Sci.. Vol. 20. December. 1997.
- Assessment of the role of *Listeria* as pathogen and food contaminant in certain localities in Egypt.
Egypt. J. Biolechnol. Vol. 3, January. 1998.
- Virulence factors in *E. coli* isolated from different clinical sources.
Egypt. J. Biomed. Sci., Vol. I, April. 1998.
- Comparative study between urea (^{13}C) Breath test, detection of specific serum antibodies and culture of gastric and duodenal biopsies for diagnosis of *Helicobacter pylori* infection.
Egypt. J. Biomed. Sci.. Vol. 3, April. 1999.
- Antibacterial combined activities against clinical multiresistant isolates of *Psetidonwnas aeniginosa*.
Egyptian. Journal of medical microbiology, September, 1999.
- Expression of functionally active mouse anficreatine kinase (MAK33) monoclonal

- antibody in the yeast / *lansenula polytnorpha*.
- Egyptian journal of medical microbiology, January, 2000.**
- Bacteriological studies on burn and surgical wound infections at three hospitals in Upper Egypt,
Egypt. J. Biomed. Sci., Vol. 5, April, 2000.
 - Relation between antibody liters and eiinical presentation in patients with hepatitis C. Virus infection.
Egyptian Journal of Medical Microbiology. April, 2000.
 - In Vitro activity of five antifungal agents against eiinical isolates of *Candida species*.
Egyptian. Journal of Medical Microbiology. April, 2001.
 - Effect of sub-inhibitory concentration of some quinolones on virulence factors of uropaf hogenic *Morganella nwrGANii*.
Egypt. J. Biomed. Sci., Vol. 7, April. 2001.
 - Lymphocyte and monocyte immunophenotyping in Neonatal sepsis: Correlation with disease severity and mortality,
Egyptian. Journal of Medical Microbiology. October. 2003.
 - Serological markers of autoimmunity in MCV-infected Egyptians.
Egyptian Journal of Medical Microbiology. January, 2004.
 - Assessment of EUIC and KAPD-PCR finger printing in Discrimination of *Salmonella enteritidis* isolates.
N. Egypt. J. Microbiol. Vol. 7, January, 2004.
 - Detection of *Salmonella serovars* and *Compylobacter jcyjuni* using multiplex polymcrase Chain Reaction.
N. Egypt. J. Microbiol. Vol. 7, January. 2004.
 - Culture and serological diagnosis of *Salmonella typhi* infections.
Egypt. J. Biomcd. Sci. Vol. 15, July, 2004.
 - Studies on *Mycobacterium tuberculosis* infection in Assiut governate
Egypt. J. Biomed. Sci. Vol. 15, July, 2004.
 - Bacteriological examination of milk formulas and some baby foods and dairy products.
Egypt. J. Biomed. Sci. Vol. 15, July, 2004.
 - Detection of extended spectrum β -lactamase produced by *E-coli* urinary pathogens at Assiut University hospitals.
 - Prevalence and antimicrobial susceptibility of extended spectrum β -lactamase

- producing *Klebsiella pneumoniae* urinary isolates at Assiut University hospitals.
- Phenotypic and genotypic characters of biofilm forming *Staphylococci*.
 - Study the effect of various antibiotics on both planktonic and biofilm forming *Staphylococci* using different methods.
 - Study of some phenotypic and genotypic characters of nosocomial multi-drug resistant *Pseudomonas aeruginosa* isolated from urinary tract infection in Assiut Teaching Hospital.
 - Evaluation of phenotypic and genotypic methods for detection of metallo- β -lactamases in imipenem resistant nosocomial *Pseudomonas aeruginosa* urine isolates.
 - Prevalence of multidrug resistant *Pseudomonas aeruginosa* in urinary tract infections at Assiut Teaching Hospitals.
 - Prevalence of Extended-Spectrum β -lactamase (ESBL) encoding genes in *Escherichia coli* and *Klebsiella pneumoniae* derived from two representative university Hospitals in Egypt.
 - Replicon typing of plasmids in CTX-M producing *E-coli* isolates derived from Egypt and Germany university Hospitals.
 - Principal investigator (PI) of research project titled: "Molecular Epidemiological study of Extended spectrum β -lactamase-producing *Enterobacteriaceae* in Egyptian university hospitals" in collaboration with a German team leader: Prof.Dr.Trinad Chakraborty, Director of institute of Medical Microbiology, Dean of Faculty of Medicine- Justus-Liebig University, Giessen- Germany.
Project start date: 01-01-2009
Project end date : 31-12-2010
Project duration 2 years
In the frame of the German Egyptian scientific project program (GESP).
 - Principal Investigator (PI) of a proposal of research project titled: " investigation of natural products from medicinal plants cultivated in Egypt for antibacterial, antifungal, and anticancer activities". In co-operation with a German team submitted to: German Egyptian Research project (GERP).
This program is administered by : German Academic Exchange service (DAAD) and science and technology development fund (STDF).

b. Supervision:

Degree	Researcher Name
M.Sc.	Mohamed Taha
M.Sc.	Mahmoud Darwish
M.Sc.	Bahaa Alanwar
Ph.D.	Bahaa Alanwar
M.Sc.	Hamada Mohamed
Ph.D.	Hamada Mohamed
M.Sc.	Mamdouh Prince
M.Sc.	Waleed Kamal

c. Conferences

Conferences	Professional Conference Organizer
International Congress of FIP, Vienna, Austria (August, 2000).	FIP
Medical conference	Faculty of Medicine, Mansoura University. Dakahlia, Egypt
Medical conference	Faculty of Medicine, Ain Shams, Cairo-Egypt.
Medical conference	Faculty of Medicine, El-Kasr El-Eney, Cairo- Egypt
2nd and 3rd Pharmaceutical Science Conference	Faculty of Pharmacy, Assiut, Egypt
Pharmaceutical Science Conference	Faculty of Pharmacy, Al-Azahr University, Cairo-Egypt
Pharmaceutical Science Conference	Faculty of Pharmacy, Tanta, El-Gharbia, Egypt.

8. Trainings & Workshops

Title of Training or Workshop	Name of Organization Providing Training	Date	Notes
TOT workshop		Mar. 2007	
TOT programme	British Council, Cairo-Egypt.	Jul 2007	
QAAP, Higher Education Institutions	British Council, Cairo-Egypt.	Jul 2007	
Communications Skills	British Council, Cairo-Egypt.	Nov 2007	-Team Management. -Time Management
Teaching Skills	Nahda University , CairoSheraton	Sept. 2011	

9. Membership of Professional Associations

Egyptian Syndicate of Pharmacist

I certify that the information provided in this curriculum vitae is accurate.

Name	Tharwat Ragheb AbdelHady Elkhamissy	Signature		Date	25 th Jul. 2013
